## Installers and Homeowners Receive Rebates

The Ohio Propane Council (OPC) has awarded nearly 4,000 rebate checks to installers and their homeowner customers.

Installers qualify—when putting in New Propane Appliances—switching out from electric, fuel oil, natural gas, or in a new residential build/construction.

There is no limit on the number of rebate applications that can be submitted. Complete job/purchase within the 2026 calendar year. Ensure “complete” applications are submitted by December 31, 2026.
