

MITSUBISHI ELECTRIC

410A DUCTLESS & MULTI-ZONE SOLUTIONS

Choose Mitsubishi Electric's R410A single- or multi-zone ductless systems when you need proven reliability, modular zoning flexibility and energy-smart performance. Whether you're servicing a one-room upgrade or outfitting multiple offices from a single outdoor unit, these systems deliver quick installation, quiet operation, and maximum comfort control.

2J Supply's stocked 410A Mitsubishi lineup delivers comfort, performance, and unprecedented deals. Stock is extremely limited; contact us about your customers' needs today.
